

# Assisting Learner Drivers

## Learn2Teach

- *Helping to teach a 'L' Driver who is currently receiving lessons from an instructor?*
- *Apprehensive about your own ability to teach?*
- *Is Road Safety paramount to both you and your Learner?*
- *Interested in brushing up your own knowledge?*

## What will you receive?

- *A professional presentation on driver theory.*
- *A structured approach to assisting the L driver.*
- *A drive assessment by a fully qualified DSA (Driving Standard Agency) Instructor.*
- *An updated awareness of the many difficulties faced by the Learner.*

**You'll receive all this and much more for just £35.**

Contact the Road Safety Unit on **0141 287 8077** or email **[road.safety@ls.glasgow.gov.uk](mailto:road.safety@ls.glasgow.gov.uk)** to register your interest in this course.

# Working with your Teacher

## Learn2Teach

- ***Are you in the process of taking professional driving lessons?***
- ***Are you receiving extra practice from a friend or family member?***
- ***Are you looking for continuity in receiving instruction from both?***

If you have answered YES to any of these questions, then why not consider attending one of our training courses along with your accompanying driver?

## What will you the Learner driver receive?

- ***A professional presentation on driver theory and driver awareness.***
- ***A structured approach to passing your driving test.***
- ***Continuity between yourself, driving instructor and accompanying driver.***

**You'll receive all this and much more for just £35.**

Contact the Road Safety Unit on **0141 287 8077** or email **road.safety@ls.glasgow.gov.uk** to register your interest in this course.
